Safety

Is Everyone's Responsibility

✓ **If you have concerns about a situation that could affect aviation safety, don't hesitate to report it to your gate agent before boarding or to your flight crewmember after boarding.**

You may also report aviation safety concerns directly to the FAA at 1-800-255-1111 (Aviation Safety Hotline)

For additional copies, contact ASY-300, 202-267-7770
